EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife.

Please see our website for the latest information: <http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>

Regular updates will be posted as they are available.

Hello!

I went to the public meeting last night regarding the Gold King Mine accident. They had said for business to keep track of the loss income due to the accident. They said where to find this paper work, but I can't seem to find it. Can you point me in the right direction? Let me know, thanks!!
